

The Hell Hath Frozen Over **SALE**

Notes:

This a very effective sequence to run for people who already KNOW about your product. I ran this to my subscribers who had probably heard 3 dozen or more “pitches”. Result: Over 580 sales 😊

But...

If you’ll need an MDMS sequence to run if it’s the first time they’ve heard of the product(or if it’s an affiliate promo.) Fire me an email if you’d like that sequence. travis@mojopreneurs.com

PROPS: To Frank Kern, I’ve taken his sequence and beefed it up with some content in between and a few other changes.

There are 4 reasons why men pull away...

T Dub here...

Wow it went from 17 degrees to a balmy 37 degrees here in Arkansas today:-) Looks like we're starting to "thaw out" a bit...yahooooo!

Unlike the weather...

If a guy's interest starts to cool down...

You actually have quite a bit of control.

He's got an "invisible" thermostat with 4 knobs. It can be a bit tricky, but once you know what the 4 knobs are you can heat him up or cool him down...*at will*.

(Not one of those knobs have anything to do with your looks, your age or if you have kids.)

I teach exactly what those 4 knobs are and how to control his thermostat in my [Girl Gets Ring Course](#).

Subject: How to lose a guy in 10 SECONDS

Tick...tick...tick...

T Dub here...

One of the biggest movies in 2003 was How to Lose a Guy In 10 Days starring Kate Hudson and Matthew McConaughey.

In the movie...Andie, played by Kate Hudson, tries to get Ben, played by Matthew McConaughey, to break-up with her by using all of the "classic mistakes" women make within 10 days.

BUT...

Outside of Hollywood...

More studies than you can shake a stick at reveal 2 CLASSIC MISTAKES women make which "loses him" in 10 SECONDS or less from his very first glance at you.

10 seconds??

Yep...10 SECONDS...from him deciding or NOT deciding to pursue you.

The 2 classic mistakes according to more than one study are:

1. **Proximity:** Where you sit physically in relation to your environment, your other girlfriends and other men DRASTICALLY improve or hurt your chances of Mr Right approaching YOU.

In my [Girl Gets Ring Course](#) you'll discover exactly where you should position yourself. If you hustle you can grab the whole system for 65% OFF (*only 17 bucks*)

====>GirlGetsRing.com/HUGESALE

2. **Your facial expression:** Do your facial expressions say I am friendly and open or do they tell Mr Right...GO AWAY!

Most FEEL like they have an open facial expression, but when video taped they are almost ALWAYS surprised by how they REALLY look.

This is one of the EASIEST fixes you can make to get Mr Right to make a beeline for you from clear across the room.

====>GirlGetsRing.com/HUGESALE

I teach you all of this and more in my [Girl Gets Ring Course](#).
